The Church Video Licence covers:

- ▶ Public viewings in your church of all, or any portion, of a film from participating producers.
- ▶ Over 60 producers, including major studios.
- ▶ Thousands of movie titles.

Churches and Movies

It's becoming more common. Pastors use portions of movies to enhance sermon points. Sunday School teachers and childcare workers play a full-length feature. Youth leaders show the latest videos. Educators use movies to train and inspire.

**BUT ALL OF THESE CHURCH WORKERS
MAY BE, UNKNOWINGLY,
BREAKING THE LAW.**

What's the Big Deal?

Most of us fast-forward through that copyright warning at the beginning of videos and DVDs. Ever wonder what it actually says? The Copyright Act stipulates that pre-recorded videos and DVDs are authorised for personal home use only. Special permission must be granted for any public performance – and that includes churches. Violations can result in substantial fines.

The Church Video Licence

Now, there's an affordable solution. Christian Copyright Licensing International (CCLI) and Motion Picture Licensing Corporation (MPLC) have partnered to bring you the Church Video Licence, which offers blanket copyright coverage for video titles from more than 60 producers.

What You Can Do

With the Church Video Licence:

- 1 Pastors can use selected movies to illustrate sermon points.
- 2 Sunday Schools and Youth Groups can view the latest videos.
- 3 Educational classes can use videos for teaching and training.

Other ministry organisations (schools, childcare, conferences, camps) can also be licensed to include videos in their programs.

NOTE:

The Church Video Licence does not cover materials that have been copied from another source or recorded from television. It also does not cover specific titles advertised publicly or where an admission fee is charged. The Church Video Licence is location-specific, and showing videos at other locations will require additional licensing.

An exciting solution for sermon / teaching illustrations and other church video needs!
